41°K 29°D

I'm Bedirhan. The things I enjoy include taking and editing product and landscape photos. Until a few years ago, I ran a tattoo studio. I take great pleasure in working on tattoo designs and creating original illustrations.

I'm also interested in traditional arts such as graffiti calligraphy, ebru (marbling) art, charcoal drawing, and sketching. I'm proficient in Adobe programs and hold a degree in Visual Communication Design.

Currently, I work as a publishing coordinator. I would describe myself as someone with strong observation and storytelling skills. Creating is something that brings me joy and fulfillment.

JUST DO IT

THE NIKE AIR MAX PLUS (ALSO KNOWN AS THE TN) WAS FIRST RELEASED IN 1998 AND, OVER THE PAST 25 YEARS, HAS BECOME THE IDENTIFIABLE, UNIFYING FEATURE OF NON-COMFORMISTS ALIKE. THE SNEAKER IS A STAPLE IN THE WARDROBE OF MANY SUBCULTURES, INCLUDING RAVE, GRAFFITI, AND HIP HOP AND WILL LIKELY BECOME PART OF MANY MORE.

THANKS.
